

Overview: The **FIRST Steps Pistol Orientation** is approximately 5 hours in length and is divided in two parts: Classroom and laser fire.

Classroom Session: FIRST Steps Pistol is designed to provide a hands-on introduction to the safe handling and proper orientation to one specific pistol action type for classes of four or fewer students. This 5-hour course, which includes classroom and laser time, teaches students how to shoot a specific pistol action type. Students will learn the rules for safe gun handling; the particular pistol model parts and operation; ammunition; shooting fundamentals; cleaning the pistol; and continued opportunities for skill development. Students will receive the Basics of Pistol Shooting handbook, FIRST Steps Course completion certificate

Course Design: We limit the class size to 4 clients in order to maximize mentor-client engagement.

Cost: \$100.00. This fee covers classroom instruction, light refreshments, student books, gun rental, and course completion certificate.

Pre-Requisites and Required Materials: Clients are only required to bring a great attitude and desire to learn. We will provide all materials.

Time: 1:00 to 6:00pm.

Location: The Gun Whisperer classroom in Alexandria Virginia, near Mount Vernon (address given upon registration).

Registration: Register at www.gunwhisperer.org. For more information, contact Howard at 949-212-2291 or howard@gunwhisperer.org.
